

every project counts Case Study

Creation of Pharmacy

CLIENT:

AK Design

VALUE:

£490,858

DURATION:

8 Weeks

About

Every Project Counts Ltd was the successful contractor in this large and complex project. The works involved the demolition of existing walls and ceilings and the formation of several areas including a secure pharmacy store, dispensary and working area.

The high tech fit out included secure areas, bespoke storage and preparation cupboards, lighting, flooring, plumbing, electrics and complete decoration.

The quality of the finishes was commended by the designers, has led to similar projects and a solid working relationship.
