

every project counts Case Study

School House Refurbishment

CLIENT:

Selwyn School

VALUE:

£25,000

DURATION:

8 Weeks

About

Every Project Counts were commissioned to refresh the tired interior and improve the functionality of the School House.

Working collaboratively with the client, Every Project Counts were able to create a space that fulfilled the clients needs, fitting the design brief and creating a beautifully finished refurbishment of the existing school house. Our team were responsible for the design and build process, including planning applications and full plans building control approval.

The overall project has given the school a wonderful new facility.
