

## Lansdowne Court

**Bailey Consulting**

**June 2022**

**Project Value £175K**

Lansdowne Court was a privately owned ‘Art Deco’ style community block. The project involved concrete repairs to the existing building fabric, new glazed windows, gutter repairs and decorations to the exterior.

The main challenges were access and egress around the busy community and ensuring the leaseholders were informed of every step of the project.

Our team worked closely with Bailey Consulting and produced an outstanding project in keeping with and sympathetic to the building's original design and features.
