

6 New Luxury Flats
Dollis Mews, Finchley
March 2018
Project Value £755K

Every Project Counts were contracted by a private client on a design and build basis to convert an existing dilapidated business premises into 5 no luxury flats for sale to the general public.

Working closely with Premier Guarantee (structured warranty provider) the building was transformed into a luxury living space.

The scheme was carried out under permitted development planning consent and all flats were sold 'off plan'.

The finished project was a spectacular transformation.
